

2017 - 2018 BOOKLIST

As we transition towards digital textbooks, you will note most courses will list a hard copy textbook, some courses will offer a digital or CD option, and select courses will offer online access only option. While every effort is made to make the booklist as comprehensive as possible, not every digital option is listed. **The BL Virtual Bookstore will list all options available**, and you should note the digital options are somewhat more affordable. As the textbook industry moves toward providing digital materials, understand this is a slow and arduous process with additional titles being added constantly. **YOU**

SHOULD COMPARE THIS SPREADSHEET TO THE VIRTUAL BOOKSTORE LISTINGS FOR ALL OPTIONS, REQUIREMENTS, COMPONENTS OF BUNDLES.

Please pay close attention to the course numbers as there are some courses with the same number, but with a different alpha suffix. These will denote different levels of that course.

TITLES HIGHLIGHTED IN **GREEN** ARE NEW TEXTBOOK ADOPTIONS; **DO NOT BUY OLD OR DIFFERENT EDITIONS OF BOOKS**. THOSE HIGHLIGHTED IN **BLUE** ARE MANDATORY TRANSLATIONS.
