

How Do I Register My MyKidsSpending Account?

To register your MyKidsSpending account, go to <https://www.mykidsspending.com> and select Get Started from the upper banner. If the hyperlink does not work, please type it into your browser. This will bring you to the page that should look like this:

MYKIDSSPENDING
Your portal to view and fund spending accounts at school

Home About Us Contact Us Get Started

Email Address

Parent First Name

Parent Last Name

Parent Phone Number

School

Student ID

Student First Name

Student Last Name

[Register this account](#)

[Cancel Registration](#)

[Complete Registration](#)

If we are able to match the school, student last name, and student ID number you entered, then the account can be set up immediately. You will be emailed confirmation of your account set up, including your password, within minutes of filling in the online form.

If you do not have the student ID number, or we are unable to verify student information you have entered, don't worry; and will email a confirmation of your account set up within 24 business hours of your request.

If you need to add several accounts, please register each account separately. Once each account is registered, select the Complete Registration button to exit the registration process.

Here you will enter the e-mail you will use as your logon ID and at which you will receive e-mail correspondence as well as your first and last name, your phone number, your student's school ID (**Bishop Lynch High School**), your student's ID number, and your student's first and last name. **If you don't know your student's ID number, send an email to FriarNET@BishopLynch.org with your student's full name.**

Once complete, select **Register This Account**. If we are able to match the school, student last name, and student ID number you entered, then the account can be set up immediately. You will be emailed confirmation of your account registration, including your password, within minutes of filling in the online form. Your password can be changed at any time by logging into your account, selecting the Change Password button and following the prompt. E-mail addresses can be updated similarly by logging in and selecting the Change E-mail Address button and following the prompt.

If you need to add several accounts for multiple students, please register each account *separately*. Once each account is registered, select the Complete Registration button to exit the registration process.

Please be sure to allow emails from AccountSetup@MyKidsSpending.com. You should add us to your address book so that the registration email is not filtered as SPAM.
